Our big day is coming up next week! Just wanted to reach out to you and make sure everything is in order so we all have a successful day.

1. Please be sure you are able to arrive at the scheduled time. Failure to arrive on time will decrease the time of one or more activities.
2. Please be sure you have a completed and signed the **Liability Waiver Form** for every person participating. This includes all students, **teachers, mentors/aides, parents**. Please give the forms to the ILSOLC staff prior to beginning the field trip.
3. Please give the ILSOLC staff the payment for your event prior to beginning the field trip.
4. Please have your students preassigned to a Group number according to your Trip Schedule. Please have all adults assigned in the same way and please have students and adults assigned **equally** per group.
5. Please inform all adults, including parents: It is our expectation they will be engaging, encouraging, and enthusiastic with all students. We ask that everyone refrain from cell phone use except for absolute necessity/emergency.
6. Bug spray is always suggested for feet and ankles when hiking the trails. Please advise all participants to wear closed-toed shoes—no sandals, flip flops, crocs, etc. **PLEASE bring adequate water for students.** We suggest students bring a water bottle. We have water fountains, water coolers and sinks available for refills.

Some GPS directions and maps may give incorrect and/or incomplete directions. So we have included simple directions below. **PLEASE PROVIDE THE INFORMATION TO YOU BUS DRIVERS!**

## **Directions**

### **From New Braunfels:**

Take Hwy 46 south to IH 10 in Seguin. Go east (left) onto IH 10. Take exit #610 (Hwy 123 Bypass) and go south (right). Drive south on Hwy 123 until you reach the stoplight at Hwy 90 E (Kingsbury Street). Turn east (left) onto Hwy 90; drive 1/2 mile. Immediately after crossing the Geronimo Creek bridge, you will see the entrance to the SOLC on the right. Turn into our driveway and follow it to the parking area.

### **From San Antonio:**

Take IH 10 east to Seguin. Take exit #610 (Hwy 123 Bypass) and go south (right). Drive south on Hwy 123 until you reach the stoplight at Hwy 90 E (Kingsbury Street). Turn east (left) on Hwy 90 and drive 1/2 mile. Immediately after crossing the Geronimo Creek bridge, you will see the entrance to the SOLC on the right. Turn into our driveway and follow it to the parking area.

### **From San Marcos/Austin:**

From IH 35 take exit #204A (Hwy 123 to Seguin) and go south. Drive approx. 16 miles south to the Highway 123 Bypass/Business split. VEER LEFT to Stockdale (Hwy 123 bypass, NOT Hwy 123 Business). Pass under IH 10 and drive 1 mile until you reach the stoplight at Hwy 90 E (Kingsbury Street). Turn east (left) on Hwy 90 and drive 1/2 mile. Immediately after crossing the Geronimo Creek bridge, you will see the entrance to the SOLC on the right. Turn into our driveway and follow it to the parking area.

### **From Houston:**

Take IH 10 west to Seguin. Take exit #612 (Hwy 90). Follow the exit ramp to the STOP sign. Turn left on Hwy 90 and go 1 mile. The SOLC is on the left immediately before Geronimo Creek.
