The Irma Lewis Seguin Outdoor Learning Center 2018 Summer Camp Registration Form

Please print and complete the following forms and return with your deposit or full payment.

All camps are for children ages 5-15. Camp runs 9:30AM-4:30PM with an hour before and after for drop off and pick up. If you need to drop off your child before 8:30AM, please plan with our staff in advance. A small fee will be charged for this service.

The cost of each week is \$200 with a repeat week and sibling discount of \$25. Sign up for all six weeks and one of the weeks will be free.

Each week, campers will get to experience fishing, archery, canoeing, and the ropes course as well as specialized activities pertaining to each theme week. Each week will end with a closing ceremony and awards, and a youth talent showcase with an optional family campout on Friday.

Please select the session(s) your camper will be attending.

Week One: The Science of Conservation June 11th-15th

Campers will focus on stewardship and conservation practices, biodiversity, habitat restoration, aquatic studies, and plant and wildlife studies.

Week Two: Core Routines and Creative Expression June 18th-22nd

Campers will experience the core routines of naturalists (sneaking, camouflage, journaling, wildlife tracking, and other nature based creative activities. During this week, campers will create their own stop motion animation nature video using software from The Edge of Imagination Station and Friday evening host the youth led event 'Mid Summers Night Dream.'

Week Three: Into the Wild June 25th-29th

Campers will learn primitive camping and survival skills, introduction to backpacking and outdoor exploration, fire and knife safety, knots and cordage, Leave No Trace Ethics, navigation and first aid.

Week Four: On Target July 9th-13th

Campers will focus on shooting skills- everything from primitive weaponry and hunting techniques, archery, skeet exercises, and hunting stewardship. Campers ages 9 and up will have the opportunity to get their Hunter's Education Certification through a Texas Parks and Wildlife Accredited Instructor.

Week Five: Trust and Teambuilding July 16th-20th

Campers will be engaged in an experiential learning environment that teaches them the importance of leadership and focuses on building trust, communication skills, peacekeeping tactics and conflict resolution.

Week Six: Texas Natural History July 23rd-27th

Campers will spend time learning about the Natural History of Texas, stone tool discovery, geology, caving, rocks and minerals, and take part in an archeological dig.
